NORTH GEORGIA CHEER ALLIANCE

PRESENTS:

CHAMPION CHEER STARS

THE DEVELOPMENTAL CHEER PROGRAM

**FOR THE CHEER ATHLETES OF NORTH GEORGIA
GRADES K-6
DECEMBER 2017-MARCH 2018**

NGCACHIEERSTARS@GMAIL.COM

Champions!

Champion Cheer Stars is a developmental cheer program for the cheer athletes of the North Georgia community, Grades K-6. Designed in consultation with local, regional, and national cheerleading professionals, Champion Cheer Stars offers an accessible, affordable, local opportunity for younger athletes to be introduced to the skills needed to become successful cheerleaders at the middle school, high school, and collegiate levels. Cheer Stars will receive weekly training and instruction in an environment that is safe, encouraging, and affirming. Cheer Stars will have the opportunity to perform their skills in front of their local crowd, while being evaluated and scored by respected middle and high school cheer coaches from the North Georgia community.

Sponsored by the Boys and Girls Club of Northwest Georgia and Hot Shots Cheerleading and Tumbling Center of Rome, the NGCA is proud to bring an affordable, developmental opportunity to an area of Georgia long known for producing GHSA State Champion cheer programs. By combining first-class instruction with a first-rate price point, the Champion Cheer Stars program will ensure the state cheerleading championships of the Greater Rome community continue well into the future. Let's Go Champion Cheer Stars!

Commitment!

Practice Schedule:

Cheer Stars will practice two times a week for 75 minutes each. Weekly practices will be scheduled 4-5:15 and 5:15-6:30 pm on Tuesday, Wednesday, and Friday evenings. Practices will begin the week of December 4, and will be held at the custom-built facility of Hot Shots Cheerleading and Tumbling Center in Rome.

Pep Rally Schedule:

Cheer Stars will participate in 3 community pep rallies, January through March, where their routines will be performed before the "hometown" crowd and evaluated by a scoring panel that includes area middle and high school competitive cheer coaches! All teams will be eligible to earn Good, Excellent, or Superior award recognition, based on overall routine performance at each event. Cheer Star teams will learn and perform both a "Game Time" and a "Half Time" routine, to cover both the "spirit" and "competitive" areas of cheerleading. The highest scoring team in both the "Game Time" and "Half Time" routine divisions will receive an additional "High Point" Championship award. Each "Pep Rally" will also include a "jump off" and "tumble off" competition for each age division, K-6.

Cost!

Registration Fee (Due by December 15): \$69

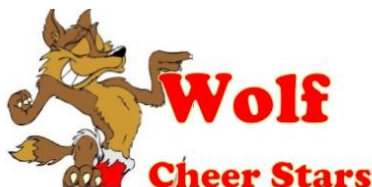

Includes registration for the full season, one Champion Cheer Star performance top and bottom to be worn at Pep Rally events, and admission to the 2-hour "Kickoff Cheer Clinic" on Saturday, December 16!

Training Fee (Due on December 15th -March 15th): \$55/month

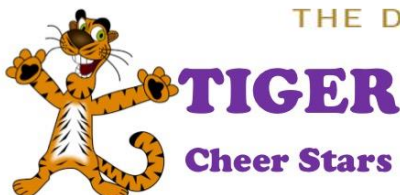

Includes two team practices per week and participation in 3 Pep Rally events, a total of 4 months of instruction and performances in the community. The total cost for the developmental program, including registration, performance wear, cheer clinic, monthly training, and participation in 3 Cheer Star Pep Rallies, is LESS than \$300!

Community!

Cheer Star teams are being offered to athletes from every school system in Rome/Floyd county, public and private. The age range of K-6 will allow for proper size groupings in the building areas of developmental cheer, and will also provide an opportunity to empower older students as leaders of younger team members. Champion Cheer Stars is THE developmental cheer program of this community, for this community, by this community! Let's Go Cheer Stars!

CHAMPION CHEER STARS THE DEVELOPMENTAL CHEER PROGRAM

Team

Becky McCoy, Chairperson, NGCA

A two-time GHSA State Champion coach with the Pepperell High School Cheerleaders, Becky was chosen in 2005 to be the GCCA "Coach of the Year" for the entire state of Georgia. A dedicated educator with more than 20 years of service in the Floyd County public schools, Coach McCoy is now the Principal of Pepperell Middle School!

Sarah Gunells, Vice-Chair, NGCA

A college national champion cheerleader and graduate of Shorter University, Sarah serves as the office manager of the Boys and Girls Club of Northwest Georgia and the Director of the Unified Cheerleading program!

Miranda Styles, Champion Cheer Stars Coordinator, Rome City schools

A graduate of the Floyd County school system and an educator in the Rome City schools since 2002, as head of the Rome High School competitive cheer program, Coach Styles led the Rome Wolves to their highest state placement in school history, finishing State Runner-Up in the 2007 GHSA Coed state cheerleading finals. Coach Styles continues to serve in the Rome City schools as an Academic Coach at Rome High School!

Candice Forrister, Champion Cheer Stars Coordinator, Floyd County schools

A graduate of and educator in the Floyd County school system for over 15 years, Coach Forrister is the longest-serving competitive cheer coach in the county, having been assistant coach from 1999-2000, and the Head Coach of the Coosa Middle School competitive cheerleaders since 2001! In that time, she has trained more than 60 athletes who went on to become GHSA State Champion cheerleaders at the high school level!

Rachel Magness, Curriculum Coordinator, Champion Cheer Stars

A graduate and MVP collegiate cheerleader of Berry College, Rachel has coached and choreographed more than 200 All Star National Championship programs and 6 GHSA state championship programs. In 2009, she became the first coach in Shorter history to win a team national championship, winning a total of 4 National Championships in 8 seasons of service.
